

Halong Bay 2 days

DAY 1 — Hanoi - Halong Bay

Pick up from your hotel to drive through the beautiful countryside of the Red River Delta. Upon arriving in Halong City, you transfer to our boat for a cruise around Halong Bay, and admire the stunning view of the soaring limestone peaks. The boat cruise includes a stop to explore an expansive cave (Surprise Cave), plus enjoy a lunch of fresh seafood and take a swim (weather dependant) in the emerald waters of the bay. Later, cruise to the overnight mooring point where you will have dinner and enjoy the evening socialising with your fellow travellers.

DAY 2 — Halong Bay - Hanoi

Early morning after breakfast, you have the opportunity to go kayaking (private tour only) in tranquil waters of Halong before the boat cruises back to the harbour. On arriving at the harbour you will be taken to a hotel restaurant for a Vietnamese meal before returning to Hanoi on the bus.

Halong Bay

With its crystal clear waters and limestone karsts searching for the sky, Halong Bay is a picture postcard destination and a must for any complete visit to Vietnam. For a glimpse of this stunning area take the day tour from Hanoi and enjoy a four hour cruise with a fantastic seafood lunch. For a more in depth viewing, spend one or two nights on board a traditional "junk" cruising its tranquil waters and exploring the area fully.

Wide Eyed Tours Rules

Illegal drugs will not be tolerated on our trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for Wide Eyed Tours travellers. Wide Eyed Tours philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make our destinations such special places. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Responsible Travel

We believe strongly in low impact or rather positive impact tourism. Broadly speaking this means that we try to minimise the negative aspects of tourism on the local cultures and environments that we visit and highlight the positive aspects.
