Phu Quoc Island

For a tiny island Phu Quoc is steeped in history. In the early 17th century, Vietnamese and Chinese immigrants earned their living from sea cucumbers. Later Phu Quoc became a stronghold of Lord Nguyen Anh, later Emperor Gia Long, in his confrontation with Tay Son forces. During the French occupation, rubber and coconut plantations could be found and during the war it was home to 40,000 P.O.W. inmates. Phu Quoc has now been converted into an ideal tourist destination for nature and sea lovers and is an idyllic location to relax and enjoy a seaside holiday.

Wide Eyed Tours Rules

Illegal drugs will not be tolerated on our trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for Wide Eyed Tours travellers. Wide Eyed Tours philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make our destinations such special places. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Responsible Travel

We believe strongly in low impact or rather positive impact tourism. Broadly speaking this means that we try to minimise the negative aspects of tourism on the local cultures and environments that we visit and highlight the positive aspects.
